Papyon Sound International Equipment Procurement and Import
2012 - 2024

In 2012, I established Papyon Sound, stepping into the industry and assuming the role of CEO. Throughout this period, I have achieved a prominent position in the sector with a focus on customer satisfaction and the delivery of innovative projects. Currently, serving as the founder and CEO of Papyon Sound, I take pride in the active operations of my company in Istanbul.

Responsibilities: I represented my company at the world's largest audio, lighting, and visual fair in Istanbul to source essential equipment. I explored cutting-edge products, established international business connections, and negotiated purchases with suppliers.

• Equipment Procurement:

- Initiated procurement processes, selecting optimal audio, lighting, and visual equipment to meet company needs.
- Conducted negotiations with various suppliers to secure competitive prices and favorable conditions.

• Importation Management:

- Oversaw the importation process, managing customs procedures and coordinating logistics.
- Ensured timely and comprehensive arrival of equipment in my country.

This experience highlights my expertise in global trade and efficient procurement practices.

Power FM

Türkiye - Istanbul

2019 - 2024

DJ and Broadcast Producer

I have been serving as a DJ and broadcast producer at Power FM, Istanbul's leading English-language radio station, since 2019. Regularly conducting monthly DJ sets, I provide listeners with unique musical experiences and contribute to the overall quality of radio broadcasts.

Organizational Ideas:

- Generate creative and innovative organizational ideas. Skilled in strategic planning to ensure the successful execution of events and projects.

DJ (Disk Jockey):

- Professional DJ with a broad music repertoire and performance skills. Capable of creating a captivating musical atmosphere for events.

Sound System Installation:

- Specialized in sound systems, adept at successfully setting up sound systems for events and venues.

Lighting System Installation:

- Experienced in lighting systems, capable of installing modern and effective lighting systems to enhance visual experiences at events.

Light Table Operation:

- I am proficient in effectively using the Avolites Titan professional lighting console. With my knowledge and skills in managing the atmosphere and visual elements of events, I can customize and transform any event into a personalized and impressive experience.

These areas of expertise encompass a wide range of skills, including leadership and organization as well as effective implementation of Dj'ing, sound and lighting systems.

TT Music

Türkiye - Istanbul

2008 - 2012

At the end of 2007, I left the tourism sector and became a partner at TT Music Sound Light Organization Company in Istanbul in 2008. Until 2012, I had a wonderful and successful partnership with Mr. Tulga Bozkurt. For four years, my partner and I collaborated in organizing sound, light, and visual event productions in some of the leading hotels in Istanbul.

Crazy Horse Bar Restaurant

Türkiye - Antalya / Alanya

2003 - 2007

Crazy Horse stands out as the most visionary and successful bar-restaurant in Alanya. I served as the Music Director at this establishment for a rewarding four-year period. Notably, Crazy Horse primarily caters to a diverse clientele, with a predominant focus on British, Norwegian, and Swedish customers. During my tenure, I played a pivotal role in curating a unique and appealing musical atmosphere, contributing to the overall success and distinctiveness of Crazy Horse.
