### Professional Profile

I'm a London based, videographer and camera trainee. With expertise in filming, editing and overall media production. I have professional experience through freelance, camera trainee and camera operating work. I've also expanded my skills further within editing, directing and cinematography through my own personal, and freelance projects which can be seen on my [website](#).

---

### Skills

### References

Kat Heartfeild (Manager at Sainsbury's Local)- **+44 7885678467** or **katherine\_heartfield@aol.co.uk**

Josh Owen (Coordinator at the LFA on BFI Course)- **02073867711 ext. 406**

### Experience

#### **CAMERA OPERATOR//UNIQUE MEDIA (FREELANCE)**

Operated Blackmagic cameras for live events at the **British Library**, enhancing knowledge of composition, lighting, and teamwork skills, while working under pressure of broadcasting live and achieving desired visual results.

### Year

**2022- PRESENT**

#### **VIDEOGRAPHER//FREELANCE**

**2021-PRESENT**

Doing freelance videography (most recently with the company '**Pictures for the People**') such as BTS and event footage. Casted, Planned, Shot, Directed & Edited an ongoing visual short docu-series which helped to acquire broad insight into every point of production, which I have been able to carry over to various other shoots.
