## EXPERIENCE

### **The White Lion, St. Leonard's** – *chef*

MONTH 2021 – PRESENT

- I have been with this company since it opened in 2021
- I have worked my way up from a kitchen porter to being a senior member of the kitchen staff
- I have periods of having to run the team for long periods of time
- I have had to work in extreme time sensitive and stressful environments

I have also done work shadowing in theaters for small productions, working predominantly in sound. I have knowledge of how shows run and operate and I also have experience using the equipment.

## EDUCATION

### **University of Salford** – *degree*

September 2020 – May 2023

2:1 Bachelors of Arts in Tv and Radio production

While studying at university I was able to gain skills working in a live studio setting for university projects. I worked with sound, camera operation, and engineering.

I am currently furthering my education in sound engineering with a short course at ICMP London in music production and sound engineering.
