SKILLS

Technical Skills: I am experienced in all aspects of video equipment,/ software including Qtake, Crewstart, Premiere Pro, After Effects, Photoshop and Audition.

IT: Creative Cloud, PowerPoint, WIX, Instagram, YouTube, Word, Excel, Google Chrome.

Communication Skills: Confident in speaking to crew on set, effective interviewing techniques (learnt at the BBC), good/professional telephone manner, confident dealing with guests, contributors and experts face to face

Soft skills : Meeting deadlines, time management, problem solving, action planning.

Radio Experience

September 2018- November 2020

- I volunteered at BBC Radio Norfolk. I was responsible for producing and editing speech packages which are used within evening shows and I was part of a live panel for the programme 'The Social'.

Young Producer

- Also in 2020 I was a part of the Young Producer course at Norwich Theatre Royal. This course teaches the workings of the arts industry, leadership skills, producing events organisation, marketing, scheduling, artist liaison, business and communications.
